

# Pecyn Croeso

Welcome Pack · Say Something in Welsh

**Blwyddyn o Say Something in Welsh, am ddim.**

ENGLISH

A free year of Say Something in Welsh.

Mae'r pecyn hwn ar gael fel tudalen we hefyd, ar [saysomethingin.app/croeso](https://saysomethingin.app/croeso).

This pack is also a web page, at [saysomethingin.app/croeso](https://saysomethingin.app/croeso).

## Croeso

Mae pob dysgwr sydd wedi cofrestru ar gwrs Dysgu Cymraeg yn cael defnyddio **Say Something in Welsh** am ddim am 12 mis.

Mae'r pecyn hwn yn dangos i chi, gam wrth gam, sut i gychwyn — gyda llun o bob sgrin y byddwch chi'n ei gweld ar y ffordd. Does dim brys, a does dim byd yma sy'n rhy anodd.

Tua **deg munud** mae'r cyfan yn ei gymryd.

### Cyn i chi ddechrau

- Eich ffôn, neu'ch cyfrifiadur.
- Y cyfeiriad e-bost lle cawsoch chi neges y Ganolfan.
- Clustffonau, os oes rhai gennych chi. Dydyn nhw ddim yn hanfodol.
- Rhywle lle gallwch chi siarad allan yn uchel. Mae hynny'n bwysicach na'r clustffonau.

ENGLISH

## Welcome

Everyone enrolled on a Learn Welsh course can use **Say Something in Welsh** free for 12 months.

This pack shows you, step by step, how to get going — with a picture of every screen you will meet on the way. There is no rush, and nothing here is too hard.

The whole thing takes about **ten minutes**.

## Before you start

- Your phone, or your computer.
- The email address the Canolfan's message came to.
- Headphones, if you have some. They are not essential.
- Somewhere you can speak out loud. That matters more than the headphones.

## Beth ydy Say Something in Welsh?

Cwrs **siarad** ydy o. Nid llyfr, ac nid gwers ar sgrin. Dyma sy'n digwydd, drosodd a throsodd:

1. Rydych chi'n clywed brawddeg fer yn Saesneg.
2. Mae bwlch tawel. **Chi** sy'n dweud y Gymraeg, allan yn uchel.
3. Rydych chi'n clywed yr ateb ddwywaith, gan ddau berson gwahanol.

Dim ysgrifennu. Dim profion. Dim gwaith cartref.

Byddwch chi'n cael pethau'n anghywir, ac yn methu ambell un yn llwyr. **Dyna'r bwriad.** Yr ymdrech o chwilio am yr ateb sy'n gwneud i'r Gymraeg aros yn eich pen — nid y clywed.

Mae deg munud y dydd yn hen ddigon.

ENGLISH

## What is Say Something in Welsh?

It is a **speaking** course, not a book and not an on-screen lesson. This is what happens, over and over:

1. You hear a short sentence in English.
2. There is a silent gap. **You** say the Welsh, out loud.
3. You hear the answer twice, from two different people.

No writing. No tests. No homework.

You will get things wrong, and miss some altogether. **That is the point.** The effort of reaching for the answer is what makes the Welsh stick — not the hearing of it.

Ten minutes a day is plenty.

## Agor y ddolen

Yn e-bost y Ganolfan, tapiwch y ddolen gofrestru. Bydd y sgrin yma'n agor.

Tapiwch y botwm coch **Get started** — 'dechrau arni'.

ENGLISH

## Open the link

In the Canolfan's email, tap the registration link. This screen opens.

Tap the red **Get started** button.

Y sgrin gyntaf · The first screen

2

## Eich cyfeiriad e-bost

Teipiwch y cyfeiriad e-bost lle cawsoch chi neges y Ganolfan, ac wedyn tapiwch

**Send my code** — 'anfonwch fy nghod'.

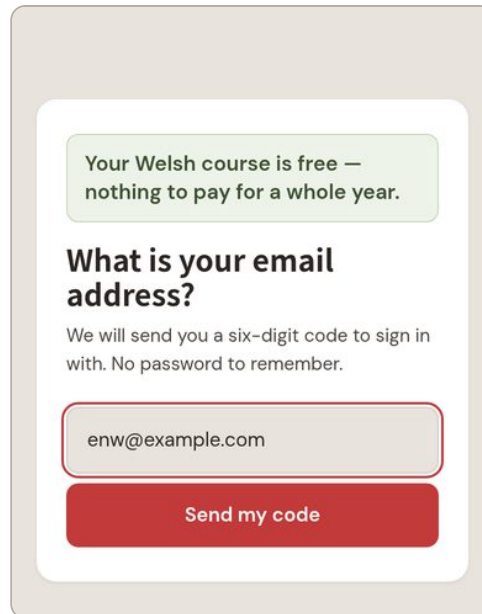

Does dim cyfrinair i'w gofio, byth. Cod byr drwy e-bost sy'n eich cael chi i mewn bob tro.

ENGLISH

## Your email address

Type the email address the Canolfan's message came to, then tap **Send my code**.

There is no password to remember, ever. A short code by email is what gets you in, every time.

Teipiwch eich e-bost · Type your email

3

## Y cod chwe digid

Ewch i'ch e-bost. Bydd neges gan **SaySomethingin** yn cyrraedd gyda chwe rhif ynddi.

Dewch yn ôl i'r dudalen yma, teipiwch y chwe rhif yn y blwch, a thapio **Continue** — 'ymlaen'.

**Peidiwch â chau'r dudalen** wrth fynd i edrych ar eich e-bost. Symudwch yn ôl ac ymlaen rhwng y ddau ap, ac mae'r dudalen yn aros lle mae hi.

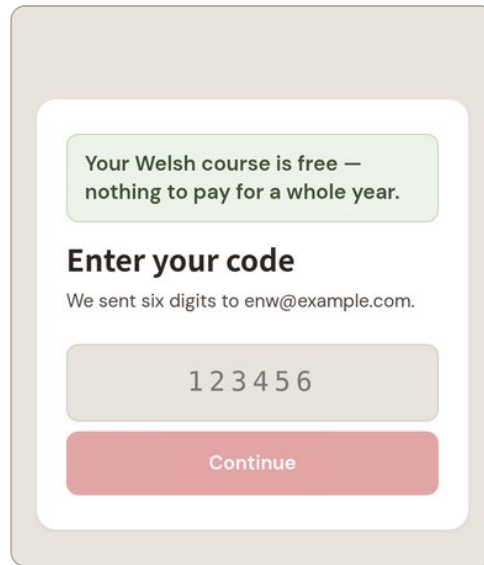

ENGLISH

## The six-digit code

Go to your email. A message from **SaySomethingin** arrives with six numbers in it.

Come back to this page, type the six numbers into the box, and tap **Continue**.

**Do not close the page** while you go and look at your email. Switch between the two, and the page stays where it is.

Y blwch ar gyfer y cod · The box for the code

### Dydy'r cod ddim wedi cyrraedd?

- Rhowch funud neu ddwy iddo. Fel arfer mae'n cyrraedd ar unwaith, ond nid bob tro.
- Edrychwch yn eich ffolder **sbam** neu **sothach**. Dyma lle mae'n mynd amlaf.
- Gwiriwch eich bod wedi teipio'r cyfeiriad e-bost yn gywir. Un llythyren goll ydy'r rheswm mwyaf cyffredin o bell ffordd.
- Os ydy'r cod yn hen, gofynnwch am un newydd: ewch yn ôl a thapio **Send my code** eto. Y cod diweddaraf sy'n gweithio.
- Os cyrhaeddodd y cod ar ddyfais arall, does dim ots — teipiwch y rhifau â llaw ar y ddyfais rydych chi'n ei defnyddio.

#### ENGLISH

### Code not arrived?

- Give it a minute or two. It usually arrives at once, but not always.
- Look in your **spam** or **junk** folder. That is where it goes most often.
- Check you typed the email address correctly. One missing letter is by far the most common reason.
- If the code has gone stale, ask for a new one: go back and tap **Send my code** again. The newest code is the one that works.
- If the code arrived on another device, that is fine — just type the numbers in by hand on the device you are using.

## Dau gwestiwn

Dim ond dau flwch bach sydd yma.

- **“I am aged 16 to 24”** — ticiwch hwn dim ond os ydych chi rhwng 16 a 24 oed. Gadewch o’n wag os nad ydych chi. Does neb yn gofyn am eich dyddiad geni.
- **Y blwch caniatâd** — rhaid ticio hwn. Mae’n dweud bod modd rhannu ffigyrau **dienw** am eich defnydd chi — faint o funudau, pa mor bell ydych chi wedi cyrraedd — gyda’r Ganolfan. Dydy’ch enw chi, eich cyfeiriad e-bost, na dim byd rydych chi’n ei ddweud yn cael eu rhannu.

Wedyn tapiwch **Claim my free year** — ‘hawlio fy mlwyddyn am ddim’.

ENGLISH

## Two questions

There are only two small boxes here.

- **“I am aged 16 to 24”** — tick this only if you are between 16 and 24. Leave it blank if you are not. Nobody asks for your date of birth.
- **The consent box** — this one has to be ticked. It says **anonymous** figures about your use — how many minutes, how far you have got — can be shared with the Canolfan. Your name, your email and anything you say are not shared.

Then tap **Claim my free year**.

Your Welsh course is free — nothing to pay for a whole year.

### Two questions

☐ I am aged 16 to 24

☒ I consent to my anonymous usage data being shared with The National Centre for learning Welsh \*

The second one is not optional — we can only give you the free year if you agree to it.

**Claim my free year**

Y ddau flwch · The two boxes

5

## Rydych chi i mewn

Mae'r sgrin yn dangos y dyddiad y daw eich blwyddyn am ddim i ben. Byddwn ni'n ysgrifennu atoch chi ychydig wythnosau cyn hynny, felly fydd hi ddim yn sioc.

Does neb wedi gofyn am fanylion cerdyn, a does dim byd yn dechrau'n awtomatig ar y diwedd.

Tapiwch **Start learning** — 'dechrau dysgu'.

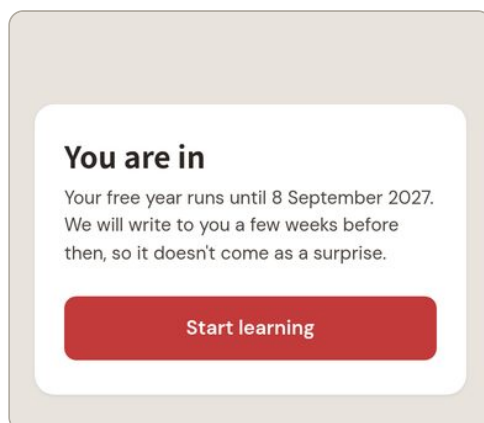

ENGLISH

## You are in

The screen shows the date your free year ends. We will write to you a few weeks before then, so it does not come as a surprise.

No card details have been asked for, and nothing starts automatically at the end.

Tap **Start learning**.

Dyddiad diwedd eich blwyddyn · The date your year ends

6

## Gogledd neu Dde

Mae rhestr hir o ieithoedd yn agor. Peidiwch â sgrolio drwyddi — mae ffordd gyflymach.

Yn y blwch chwilio ar y top, teipiwch **Welsh**. Dim ond un rhes fydd ar ôl.

Tapiwch **2 variants**, ac wedyn dewiswch **Northern** (Gogledd) neu **Southern** (De).

**Pa un?** Yr un sydd agosaf at y Gymraeg rydych chi'n ei chlywed o'ch cwmpas, neu Gymraeg eich tiwtor. Does dim ots mawr: mae'r ddwy'n Gymraeg go iawn, byddwch chi'n deall y naill a'r llall, a gallwch chi newid unrhyw bryd.

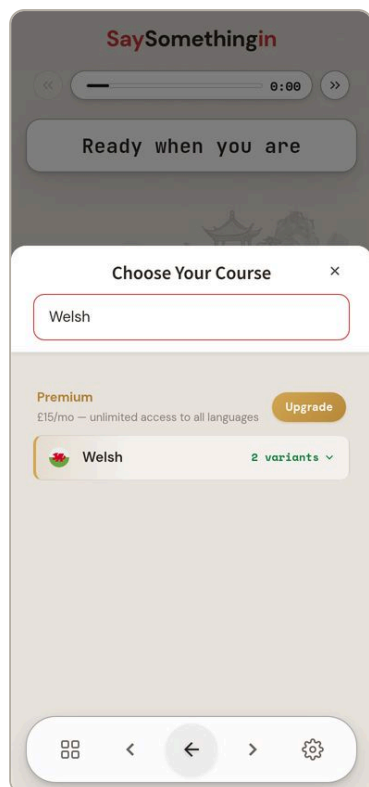

## North or South

A long list of languages opens. Do not scroll through it — there is a quicker way.

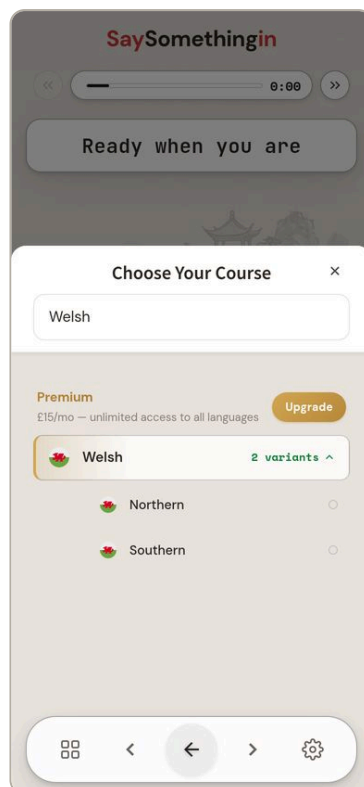

In the search box at the top, type **Welsh**. The list shrinks to one row.

Tap **2 variants**, then choose **Northern** or **Southern**.

**Which one?** Whichever is closest to the Welsh you hear around you, or to your tutor's Welsh. It does not matter greatly: both are real Welsh, you will understand either, and you can change it at any time.

Teipiwch "Welsh" · Type "Welsh"

Dewiswch Northern neu Southern · Choose Northern or Southern

**Pwysig.** Efallai y gwelwch chi "Premium £15/mo — Upgrade" ar y sgrin honno. **Anwybyddwch o.** Mae eich blwyddyn chi wedi'i thalu amdani'n barod, a does dim rhaid i chi dalu dim.

ENGLISH

**Important.** You may see "Premium £15/mo — Upgrade" on that screen. **Ignore it.** Your year is already paid for, and you do not have to pay anything.

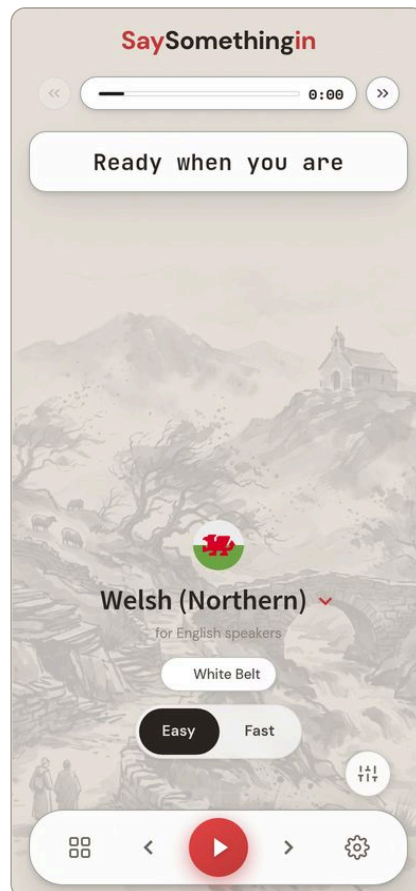

## Eich tro cyntaf

Dyma'r sgrin y byddwch chi'n ei gweld bob tro rydych chi'n agor yr ap. Rhowch eich clustffonau am eich pen, a thapio'r **botwm coch mawr** yn y gwaelod.

ENGLISH

## Your first go

This is the screen you will see every time you open the app. Put your headphones on and tap the **big red button** at the bottom.

Y botwm coch mawr · The big red button

## Beth sy'n digwydd wedyn

Byddwch chi'n clywed brawddeg fer yn Saesneg, ac yn ei gweld ar y sgrin. Wedyn daw bwlch tawel, a'r geiriau coch **“YOU'RE MEANT TO BE SPEAKING NOW”** — ‘eich tro chi ydy hi rŵan’. Dywedwch y Gymraeg allan yn uchel, hyd yn oed os ydych chi'n ansicr, hyd yn oed os ydych chi'n anghywir.

Wedyn byddwch chi'n clywed yr ateb ddwywaith, ac yn ei weld yn ysgrifenedig o dan y llun.

Dyna un tro, ac mae'n cymryd tua deg eiliad. Yna mae'r nesaf yn dechrau ar ei ben ei hun. Does dim rhaid i chi dapio dim byd rhwng un a'r llall.

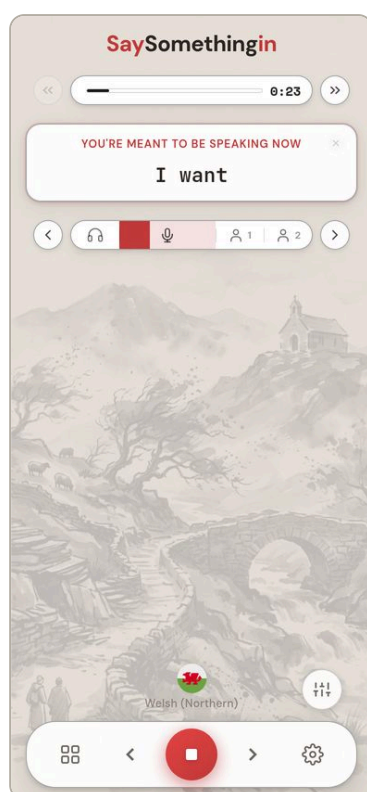

## ENGLISH

### What happens next

You hear a short sentence in English and see it on the screen. Then comes a silent gap, and the red words **“YOU'RE MEANT TO BE SPEAKING NOW”**. Say the Welsh out loud, even if you are unsure, even if it is wrong.

Then you hear the answer twice, and see it written under the picture.

That is one go, and it takes about ten seconds. The next one then starts on its own. You do not have to tap anything in between.

Eich tro chi · Your turn

Yr ateb · The answer

### Dau beth defnyddiol

- **Easy** a **Fast** : mae **Easy** yn rhoi bwlch hirach i chi feddwl. Dechreuwch gyda Easy, bob tro.
- I stopio, tapiwch y botwm coch eto. Mae'r ap yn cofio'n union ble roeddech chi, hyd yn oed os ydych chi'n ei gau'n llwyr.

Os ydych chi'n colli ambell un, neu'n dweud dim byd o gwbl am funud — daliwch ati. Mae popeth yn dod yn ei ôl eto'n nes ymlaen. Does dim rhaid i chi ei gael o'n iawn y tro cyntaf.

## Two useful things

- **Easy** and **Fast**: **Easy** gives you a longer gap to think. Start with Easy, every time.
- To stop, tap the red button again. The app remembers exactly where you were, even if you close it completely.

If you miss a few, or say nothing at all for a minute — keep going. Everything comes back round again later. You do not have to get it right first time.

8

## Rhowch o ar sgrin gartref eich ffôn

Mae hyn yn werth ei wneud unwaith. Wedyn mae eicon coch yn eistedd gyda'ch apiau eraill, ac un tap sydd ei angen — dim chwilio, dim teipio cyfeiriad.

Mae'r ap ei hun yn dangos y camau i chi. Tapiwch yr olwyn ddannedd yn y gwaelod, ac wedyn **Install SaySomethingin**.

## Put it on your phone's home screen

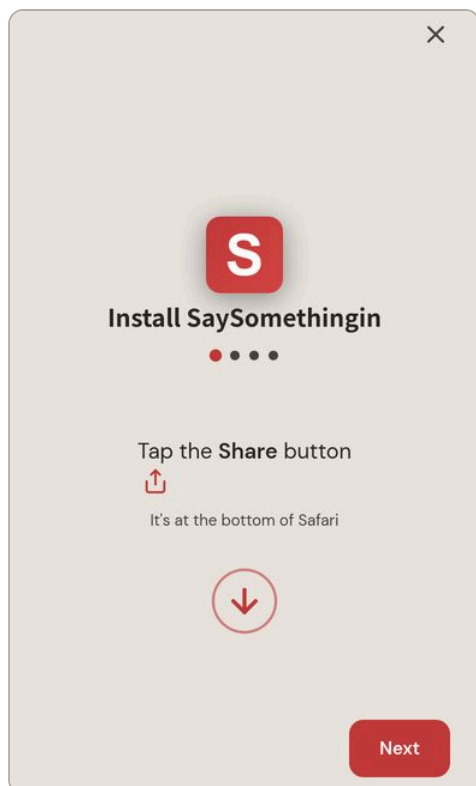

This is worth doing once. After that a red icon sits with your other apps, and one tap is all it takes — no searching, no typing an address.

The app shows you the steps itself. Tap the cog at the bottom, then

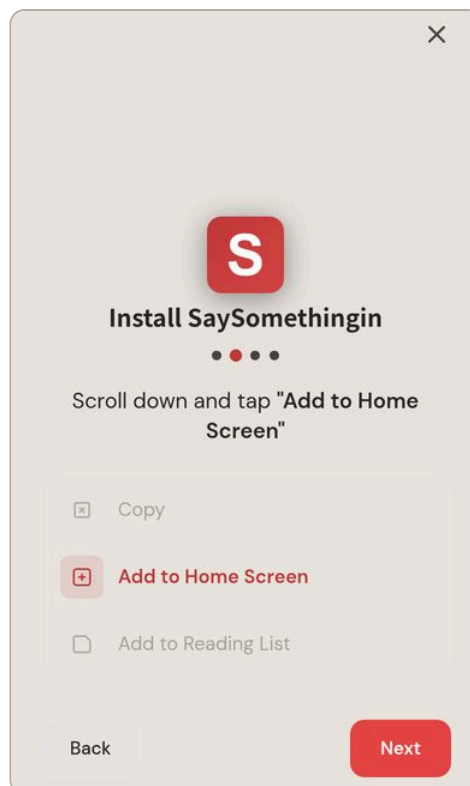

**Install SaySomethingin**.

## Ar iPhone (yn Safari)

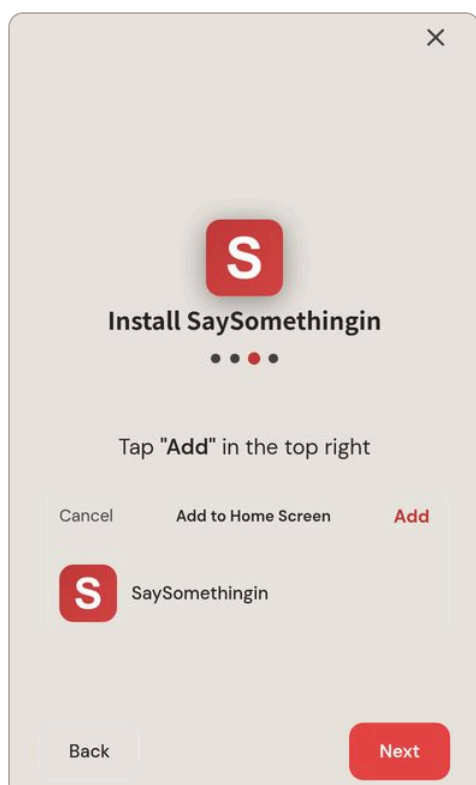

On an iPhone (in Safari)

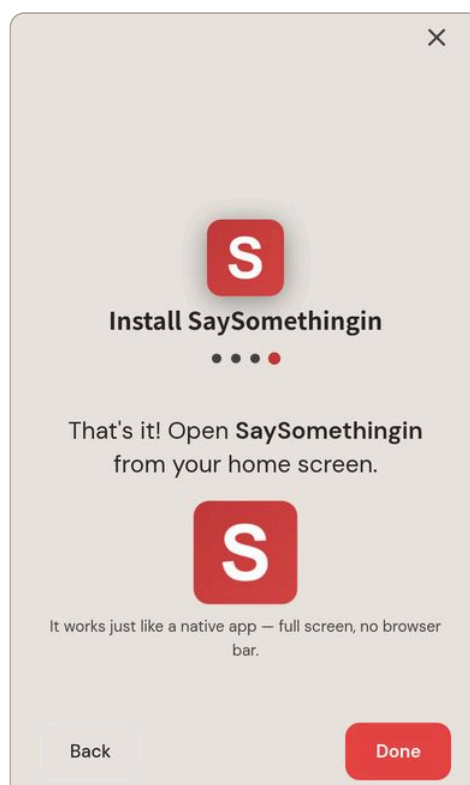

1. Y botwm rhannu, ar waelod Safari · The Share button, at the bottom of Safari

2. Sgrolwch i lawr at “Add to Home Screen”  
· Scroll down to “Add to Home Screen”

3. Tapiwch “Add” yn y gornel dde uchaf · Tap “Add”, top right

4. Dyna ni · That's it

## Ar ffôn Android (yn Chrome)

On an Android phone (in Chrome)

Tri thap: y ddewislen yn Chrome, wedyn “Add to Home screen”, wedyn “Add”.

ENGLISH

Three taps: the Chrome menu, then “Add to Home screen”, then “Add”.

Android · tri thap · three taps

9

## Yr ap yn Gymraeg

Os ydy'n well gennych chi, gall yr ap ei hun siarad Cymraeg â chi.

Tapiwch yr **olwyn ddannedd** (⚙️) ar waelod y sgrin, wedyn **Interface Language**, wedyn **Cymraeg**.

Sylwch: y cwrs ei hun sy'n dal i ofyn y cwestiynau yn Saesneg, am mai o'r Saesneg rydych chi'n dysgu'r Gymraeg. Y botymau a'r gosodiadau o gwmpas y cwrs sy'n newid.

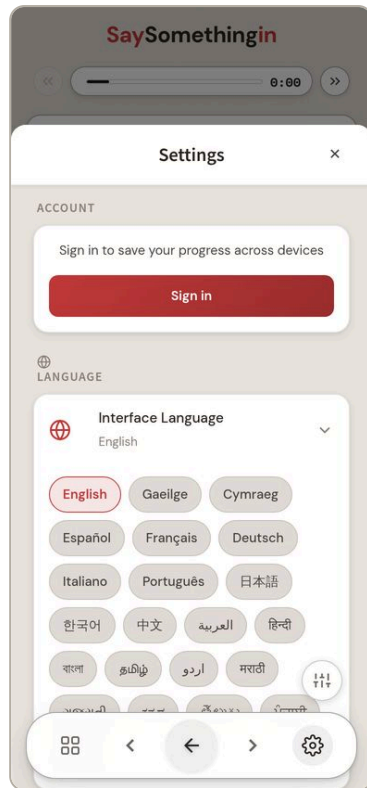

ENGLISH

## The app in Welsh

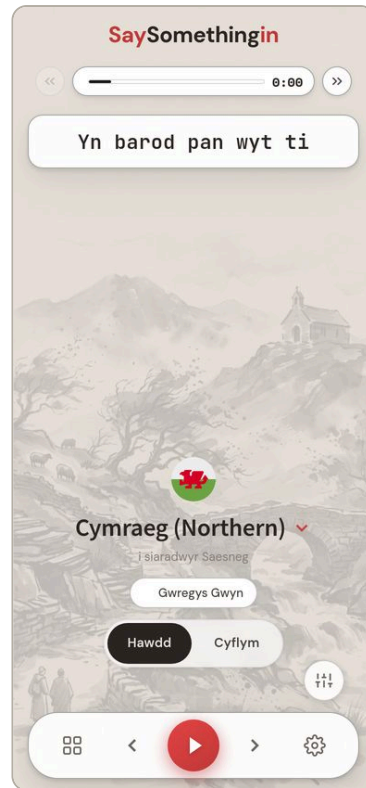

If you would rather, the app itself can speak Welsh to you.

Tap the **cog** (⚙️) at the bottom of the screen, then **Interface Language**, then **Cymraeg**.

Note: the course itself still asks its questions in English, because English is what you are learning the Welsh from. It is the buttons and settings around the course that change.

Dewiswch Cymraeg · Choose Cymraeg

Yr ap yn Gymraeg · The app in Welsh

10

## Os ydych chi'n ei gau ac yn methu dod o hyd iddo

Mae hyn yn digwydd i bawb, ac mae'n hawdd ei ddatrys.

- Chwiliwch am yr **eicon coch 'S'** ar sgrin gartref eich ffôn, os gwnaethoch chi Gam 8.
- Neu agorwch eich porwr a theipio **saysomethingin.app** yn y bar cyfeiriad.
- Fel arfer byddwch chi'n dal i fod wedi mewngofnodi, ac yn glanio'n syth lle roeddech chi.

Os ydy'r ap yn gofyn i chi fewngofnodi eto: tapiwch yr olwyn ddannedd, wedyn **Sign in**, rhoi eich cyfeiriad e-bost, a theipio'r cod chwe digid sy'n cyrraedd. Yr un ffordd yn union â Chantau 2 a 3.

**Does dim byd ar goll.** Mae popeth rydych chi wedi'i ymarfer yn ddiogel, a'ch blwyddyn am ddim gyda hi.

ENGLISH

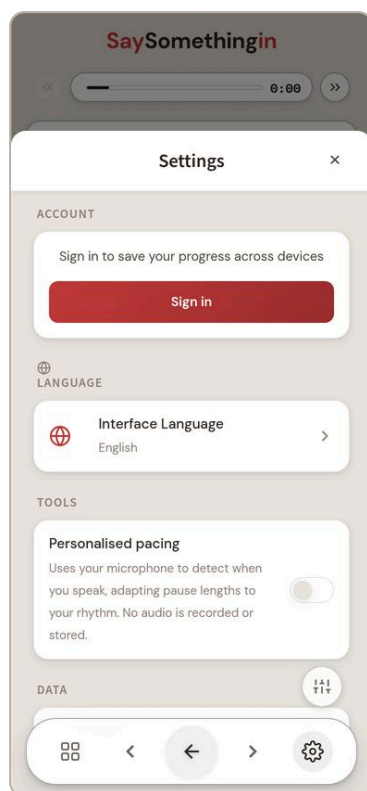

## If you close it and cannot find it again

This happens to everyone, and it is easy to put right.

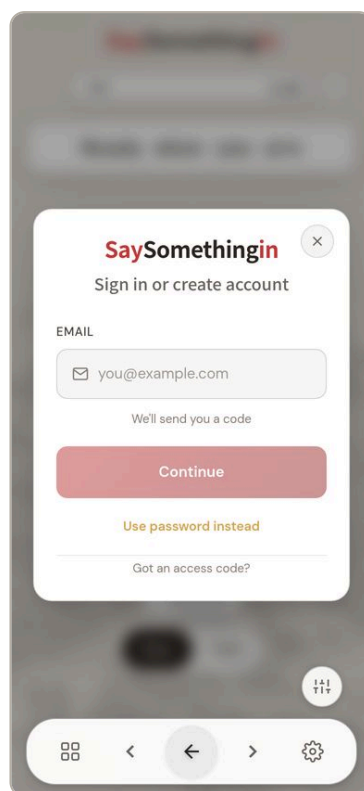

- Look for the **red 'S' icon** on your phone's home screen, if you did Step 8.
- Or open your browser and type **saysomethingin.app** into the address bar.
- Usually you will still be signed in, and land straight back where you were.

If the app asks you to sign in again: tap the cog, then **Sign in**, give your email address, and type the six-digit code that arrives. Exactly the same way as Steps 2 and 3.

**Nothing is lost.** Everything you have practised is safe, and your free year with it.

Yr olwyn ddannedd → Sign in · The cog →  
Sign in

Rhowch eich e-bost eto · Give your email  
again

## Cwestiynau cyffredin

### Oes rhaid i mi dalu?

Nac oes. Mae'n rhad ac am ddim i chi am 12 mis llawn. Does dim manylion cerdyn yn cael eu gofyn, a does dim byd yn dechrau codi tâl arnoch chi ar y diwedd. Byddwn ni'n ysgrifennu atoch chi cyn i'r flwyddyn ddod i ben.

## **Beth os ydw i'n talu am SaySomethingin yn barod?**

Bydd y sgrin yn dweud wrthydd chi, ac yn dangos dyddiad diwedd eich blwyddyn am ddim. Chi sy'n canslo'r tanysgrifiad rydych chi'n ei dalu — dydy'r ap ddim yn ei ganslo drosoch chi.

## **Oes angen y rhyngwylt?**

Oes, i ddechrau, ac i lwytho sain newydd. Mae'r ap yn cadw'r sain ddiweddar ar eich ffôn, felly dydy toriad byr — twnnel, lifft — ddim yn ei stopio.

## **Oes rhaid cael clustffonau?**

Nac oes. Mae seinydd y ffôn yn iawn mewn lle tawel. Mae clustffonau'n helpu mewn lle swnllyd, ac maen nhw'n gwneud i siarad allan yn uchel deimlo'n haws.

## **Alla i wneud hyn yn y car?**

Gallwch, a dyma un o'r ffyrdd gorau o'i wneud. Does dim rhaid edrych ar y sgrin o gwbl — y clustiau a'r geg sy'n gweithio. Dechreuwch o cyn i chi gychwyn y car.

## **Dw i'n clywed dim byd.**

Codwch sain y ffôn. Ar iPhone, edrychwch ar y switsh bach ar yr ochr — os ydy o'n dangos oren, mae'r ffôn yn ddistaw. Os oes clustffonau di-wifr gennych chi, gwnewch yn siŵr eu bod wedi'u cysylltu.

## **Dw i'n methu cadw i fyny.**

Dewiswch **Easy**. Does neb yn eich marcio chi, does dim cloc, a does dim cosb am fethu. Y siarad sy'n cyfrif, nid y cyflymder.

## **Ydy'r ap yn fy recordio i?**

Nac ydy. Mae yna osodiad o'r enw "Personalised pacing" sy'n defnyddio'r meicroffôn i synhwyro pryd rydych chi'n siarad, er mwyn addasu hyd y bylchau. Mae wedi'i ddiffodd oni bai eich bod chi'n ei droi ymlaen, a dydy o ddim yn cadw nac yn anfon unrhyw sain.

## **Beth yn union mae'r Ganolfan yn ei weld?**

Ffigyrau dienw: faint o funudau, a pha mor bell ydych chi wedi cyrraedd. Dim enwau, dim cyfeiriadau e-bost, a dim byd rydych chi'n ei ddweud.

## **Dw i wedi dewis y dafodiaith anghywir.**

Tapiwch enw'r cwrs ar ganol y sgrin, a dewis y llall. Mae'ch cynnydd yn cael ei gadw ar wahân ar gyfer y ddwy.

## Alla i ei ddefnyddio ar fwy nag un ddyfais?

Gallwch. Mewngofnodwch gyda'r un cyfeiriad e-bost ar y ffôn, y llechen a'r cyfrifiadur, ac mae'ch cynnydd yn dilyn.

ENGLISH

## Common questions

### Do I have to pay?

No. It is free to you for a full 12 months. No card details are asked for, and nothing starts charging you at the end. We will write to you before the year runs out.

### What if I already pay for SaySomethingin?

The screen will tell you, and show the date your free year ends. Cancelling the subscription you are paying for is yours to do — the app does not cancel it for you.

### Do I need the internet?

Yes, to start, and to load new audio. The app keeps recent audio on your phone, so a short drop — a tunnel, a lift — does not stop it.

### Do I need headphones?

No. The phone's speaker is fine somewhere quiet. Headphones help somewhere noisy, and make speaking out loud feel easier.

### Can I do this in the car?

Yes, and it is one of the best ways to do it. You never need to look at the screen — it is your ears and your mouth doing the work. Start it before you start the car.

### I cannot hear anything.

Turn the phone's volume up. On an iPhone, check the little switch on the side — if it shows orange, the phone is on silent. If you have wireless headphones, make sure they are connected.

### I cannot keep up.

Choose **Easy**. Nobody is marking you, there is no clock, and there is no penalty for missing. The speaking is what counts, not the speed.

### Does the app record me?

No. There is a setting called "Personalised pacing" that uses the microphone to sense when you are speaking, so it can adjust the length of the gaps. It is off unless you turn it on, and it neither stores nor sends any audio.

### What exactly does the Canolfan see?

Anonymous figures: how many minutes, and how far you have got. No names, no email addresses, and nothing you say.

### I have chosen the wrong dialect.

Tap the course name in the middle of the screen and pick the other one. Your progress is kept separately for each.

### Can I use it on more than one device?

Yes. Sign in with the same email address on your phone, tablet and computer, and your progress follows.

## Angen help?

- Am eich **cwrs Dysgu Cymraeg** — eich tiwtor neu'ch canolfan leol.
- Am yr **ap ei hun** — e-bostiwrch [admin@saysomethingin.com](mailto:admin@saysomethingin.com). Dywedwch pa ffôn sydd gennych chi a beth welsoch chi ar y sgrin; mae hynny'n arbed neges yn ôl ac ymlaen.

A dyna'r cyfan. Deg munud y dydd, allan yn uchel. Pob lwc — ac mwynhewch.

ENGLISH

## Need help?

- About your **Learn Welsh course** — your tutor or your local centre.
- About the **app itself** — email [admin@saysomethingin.com](mailto:admin@saysomethingin.com). Say which phone you have and what you saw on the screen; that saves a message back and forth.

And that is all of it. Ten minutes a day, out loud. Good luck — and enjoy it.
